How to Administer the Fluency Passage Assessment

Assess Oral Reading Fluency

- Give the student a copy of the passage. **Set a timer or stopwatch for 1 minute.**
- Ask the student to begin reading. As the student reads aloud, assess prosody and mark errors and self-corrections on the evaluation copy using the following guides.
- **Stop the student when one minute has passed.** Take note of the last word the student read.
- Score the passage on the evaluation copy according to the **Scoring Guide**. Use the following chart to compare grade level norms for words correctly read per minute.

Marking Conventions	
Attempted Word = Substitution Error	✓ = Accurate Word Reading
^ = Insertion Error	Attempted Word S/C = Self Correction
