Why Some Families Shop at Thrift Stores

Not every family has the same amount of money. Some families can buy new things, while others need to save. Many people shop at thrift stores to find clothes, shoes, and toys that cost less money. At a thrift store, you can find almost new items for a much lower price. Sometimes, you might even find something special that someone else did not want anymore.

Some children get hand-me-downs. These are things that used to belong to someone else, like an older brother or girl in your family. Hand-me-downs and thrift stores help people get what they need, even if money is tight. It is important to remember that every family is different. Being kind and understanding to others always helps us grow together.

How to Administer the Fluency Passage Assessment

Assess Oral Reading Fluency

- Give the student a copy of the passage. **Set a timer or stopwatch for 1 minute.**
- Ask the student to begin reading. As the student reads aloud, assess prosody and mark errors and self-corrections on the evaluation copy using the following guides.
- **Stop the student when one minute has passed.** Take note of the last word the student read.
- Score the passage on the evaluation copy according to the **Scoring Guide**. Use the following chart to compare grade level norms for words correctly read per minute.

Marking Conventions	
Attempted Word = Substitution Error	✓ = Accurate Word Reading
^ = Insertion Error	Attempted Word S/C = Self Correction
— = Omission Error	R = Repetition
— = Omission Error	R = Repetition
T = Intervention Error (telling student the word)
