**Directions:**

- Write a word from your reading that is new to you in the first column.
- Read the sentence before and after the sentence where the word appears. Write what you think the word means in the second column.
- Explain why you think your definition makes sense based on the context clues in the text.
- Write the dictionary definition.
- Place a check mark in the last column if the dictionary definition matches what you thought the word meant.

Word	What I Think the Word Means	Context Clues	Real Definition	✓
