

Name: _____

Animal News Report

Pretend to be a forest animal and share the “breaking spring news”

Directions:

In *Fletcher and the Springtime Blossoms*, Fletcher mistakes blossoms for snowflakes and spreads the news to his forest friends.

Now it's your turn to imagine yourself as an animal in Fletcher's forest and share the breaking news about the arrival of spring.

Draw yourself as a forest animal, and complete the springtime sentence starters for your big news report!

This just in from the forest: _____

_____.

Animals are surprised because

_____.

Spring has officially arrived when

_____.
