Directions:

1. These are cause and effect cards for *Fletcher and the Springtime Blossoms*. Read the cards.
2. Cut out the cause and effect cards.
3. Mix the cards up then place them face down in front of you.
4. Turn two cards over. If the cause and effect are a match, keep the cards and place them on your sorting mat. If they don't match flip them back over.
5. Play until you find all the matches.
6. Hint: The cards with a square are cause cards. The cards with a circle are effect cards.

Fletcher rushed to warn his friends because

the rabbits wanted to play in what they thought was snow.

The birds decided to fly back south because

he realized he had mistaken beautiful flower petals for dangerous snow.

All the animals raced back to the orchard because

he thought the white flakes were dangerous snow that would hurt the spring creatures.

Fletcher felt silly when he saw the blossoms because

Fletcher told them there was snow coming and it would be too cold.
