Name: \_\_\_\_\_

## Fletcher and the Springtime Blossoms

Cause and Effect

### Directions:

The first part of the sentences below tell what happened (the effect) in the book, *Fletcher and the Springtime Blossoms*. Complete each sentence by telling the cause.

Fletcher rushed to warn his friends because he thought the white flakes were dangerous snow that would hurt the spring creatures.

The birds decided to fly back south because Fletcher told them there was snow coming and it would be too cold.

All the animals raced back to the orchard because the rabbits wanted to play in what they thought was snow.

Fletcher felt silly when he saw the blossoms because he realized he had mistaken beautiful flower petals for dangerous snow.

### Reading Tip!

Remember: The **cause** is **why** something happened. The **effect** is **what** happened.
