# If I Built a School

Put your imagination to work, just like Jack!

## Directions:

In *If I Built a School*, Jack imagined amazing things in an out-of-this-world school!

Now it's your turn. Think of one awesome thing your dream school would have. Then describe what it is, how it works, and why kids would love it! When you're done, draw a picture of your invention.

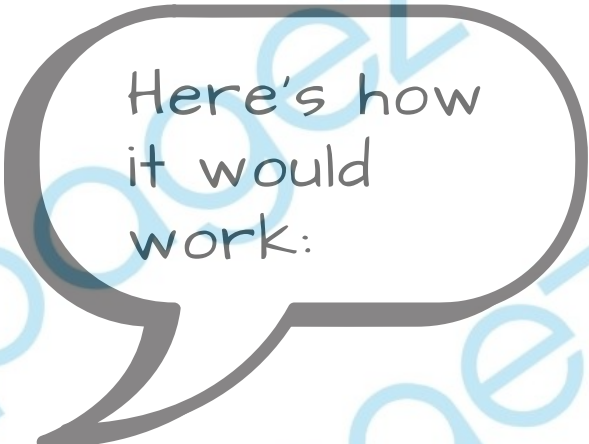

If I built a  
school, it  
would have...
