Directions:

1. These are cause and effect cards for *Madeline*. Read the cards.
2. Cut out the cause and effect cards.
3. Mix the cards up then place them face down in front of you.
4. Turn two cards over. If the cause and effect are a match, place them on your sorting mat. If they don't match flip them back over.
5. Play until you find all the matches.
6. Hint: The cards with a square are cause cards. The cards with a circle are effect cards.

One night, Miss Clavel woke up because

she heard Madeline crying.

Dr. Cohn took Madeline to the hospital because

her appendix had burst.

Madeline's classmates were happy to visit her because

they saw the toys and candy and dollhouse from her Papa.

All the other girls are crying at night because

they want to have their appendix out too.
