

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Directions:**

Look at the picture of the penguin below. Draw lines to label at least 3 of the penguin's body parts and tell how the penguin uses those body parts to survive.

## Answer Key

### Directions:

Look at the picture of the penguin below. Draw lines to label at least 3 of the penguin's body parts and tell how the penguin uses those body parts to survive.

Large eyes to see underwater

Black back to make them hard to see from above

Hooked beak to catch fish

Strong, solid flippers to help them swim fast

White tummy to make them hard to see from below

Layer of blubber to keep warm

Big webbed feet for steering while swimming
