

Name: _____ Date: _____

Directions:

Sneezy the Snowman melted three times. Write about the three melting events using sequence words like "first", "next", and "then".

A black and white line drawing of a snowman wearing a hat with a pom-pom, having two buttons for buttons, and stick arms. It is surrounded by several snowflakes of different sizes and orientations. The entire scene is enclosed in a double-line rectangular border.

Answer Key

Directions:

Sneezy the Snowman melted three times. Write about the three melting events using sequence words like "first", "next", and "then".

Sneezy the Snowman melted three different times. First,
he melted after drinking a warm cup of cocoa. Next, he
melted while sitting in a hot tub. Then, he melted sitting
next to a fire.
