Those Darn Squirrels!

Cause and Effect

Directions:

The first part of the sentences below tell what happened (the effect) in the book, *Those Darn Squirrels!* Complete each sentence by telling the cause.

The squirrels flew through the air because they built tiny catapults.

Old Man Fookwire hung up bird feeders because he did not want the birds to fly south.

The squirrels got into the bird feeders because they needed to gather food for winter.

Old Man Fookwire took down his fortress because he wanted to paint the squirrels in their bird costumes.

Reading Tip!

Remember: The **cause** is **why** something happened. The **effect** is **what** happened.
