**Directions:**

In the story ***Those Darn Squirrels***, Old Man Fookwire built a tricky birdfeeder to keep the squirrels away, but those squirrels were pretty clever!

**Now it's your turn to become an inventor.**

**Step 1:** Draw a picture of a new squirrel-proof birdfeeder.

**Step 2:** Label the parts of your birdfeeder with describing words (adjectives).

**Step 3:** Write a short paragraph explaining how it works and why it will keep the squirrels out.
