**Directions:**

1. These are cause and effect cards for *What Do You Do With an Idea?* Read the cards.
2. Cut out the cause and effect cards.
3. Mix the cards up then place them face down in front of you.
4. Turn two cards over. If the cause and effect are a match, keep the cards and place them on your sorting mat. If they don't match flip them back over.
5. Play until you find all the matches.
6. Hint: The cards with a square are cause cards. The cards with a circle are effect cards.

The boy walked away from his idea because

he didn't know what to do with it.

The boy protected his idea and played with it because

he began to feel proud of it.

The idea showed the boy how to walk on his hands because

It is good to have the ability to see things differently.

The idea became a part of everything because

It spread its wings and burst into the sky.
