## What Do You Do With an Idea?

Cause and Effect

### Directions:

The first part of the sentences below tell what happened (the effect) in the book, *What Do You Do With an Idea?* Complete each sentence by telling the cause.

The boy walked away from his idea because he didn't know what to do  
with it.

The boy protected his idea and played with it because he began to feel proud  
of it.

The idea showed the boy how to walk on his hands because it is good to have  
the ability to see things differently.

The idea became a part of everything because it spread its wings and burst  
into the sky.

### Reading Tip!

Remember: The **cause** is **why** something happened. The **effect** is **what** happened.
